MANAGERS NOTES

BBC Television Grandstand cameras travelling on the team bus to Scunthorpe filming the game and generally monitoring every move, is hardly the build-up me or my players are used to before and during a game. In fact I thought long and hard before I agreed to it and even then I wouldn't allow the cameras into the dressing room.

Under normal circumstances I don't like anything interfering with our pre-match build-up but to be fair these were not normal circumstances and I felt the situation at the club had gone too far for anything, particularly the presence of cameras to have an effect.

Well I was wrong although no doubt the players will disagree the back four and our forwards were still smiling at the cameras when we were two goals down in 1.45 mins.

It must be a record, but one I am not happy with. Having said that, after what can only be described as a fluke start, we got ourselves sorted out and after 10 mins, I remember telling myself that we are going to be alright now.

At the end of the day Frank Barlow and his coaches were screaming for the final whistle. That tells its own story and our away supporters, just like the Wolverhampton and Crewe games gave evidence that we are worth watching and worth backing these days.

One man who is well used to TV cameras and the limelight is the Bolton Manager, Phil Neal. Many years ago I played against Phil for Notts County against Northampton Town, not long after he was on his way to Liverpool and England picking up medals and glory on the way. He has had an unbelievably successful career and I hope it continues for him but only after today's FA Cup encounter is over.

I am hoping for a game to remember and that we continue with our present form. Supporters have seen evidence of our form and intentions on our own pitch recently and current form suggests that we are a match for anyone at the Shay. Let's make sure, together, it continues.

SPOTLIGHT ON

THE WANDERERS

MIKE SALMON... former Blackburn Rovers goalkeeper who joined Stockport in 1983 following a spell on loan to Chester. Joined Bolton in July this year for a fee of £18,000.

DEREK SCOTT... England Schoolboy international who began his career with Burnley during their division 1 days. Made 285 league appearances for the Turf Moor side before joining Bolton in 1985 for a £20,000 fee.

JIMMY PHILLIPS... local born defender who has graduated through the club's youth side to gain a regular first team placing.

WARREN JOYCE... gained schoolboy honours at Rugby and Cricket before deciding to concentrate on a career in football. Now in his 5th season with his local club.

MARK CAME... joined our visitors in 1984 from North West Counties League side Winsford United. Quickly made the adjustment to the professional ranks and has been a first team regular ever since.

JULIAN DARBY... another England Schoolboy international who has gained a regular first team placing after graduating through the junior sides.

GEORGE OGHANI... secured from non-leaguers Hyde United midway through the 1983/84 season. Manchester born striker who had 23 goals from 80 league appearances at the start of this season.

STEVE THOMPSON... yet another player in the squad to have made the grade from the club's junior ranks. Fast approaching his 150th league appearance.

STEVE ELLIOTT... former Notts Forest apprentice who came to prominence at Preston after joining the Deepdale club for a £95,000 fee. Went on to join Luton and then Walsall before teaming up with Bolton during the close-season for £25,000.

ASA HARTFORD... former West Brom, Manchester City, Everton, Notts Forest and Norwich star who joined our visitors during the summer of 1985. Capped 50 times by Scotland, he was Bolton's only "ever-present" last term.

MARK GAVIN... manager Phil Neal's first transfer buy in April this year when he paid a 'small fee' to Carlisle for the former Leeds United player.

TONY CALDWELL... the club's leading scorer for the past 3 seasons after switching from non-league football with local club Horwich RMI.

Commercial Comment

with TONY THWAITES

GOOD afternoon, and welcome to the Shay.

It most certainly must be a 'good afternoon' for, with these notes going to press on Monday 10th November, the very fact that they are being read means that (A), our club has somehow survived or (B), at least we have received a stav of execution. Whichever is applicable at least we live to fight another day!

Whatever has happened in the past few days will have course, have been widely reported by both the national and local press and is surely to have been given extensive coverage by radio and television - what a great pity that this club's "day to day" efforts at providing Calderdale with a football team to be proud of do not rate the same sort of publicity!

It would be nice to think that, in the future, fine team performances could be elaborated on rather than a game's attendance, that highly promising junior players could at least be given a regular mention, and that invaluable sponsors could be given the credit their help deserves, still, I suppose that we can always look forward to the better times when a "successful bandwagon" is available to be jumped on.

Meanwhile, A SINCERE THANK YOU to all the people who have shown real concern about our club's plight. Many have pledged cash ranging from £1 up to £250, a number have offered their services to fund raising activities while others, including all the turnstile operators, have recently worked for nothing. It is people like you who deserve a successful football club, it is an unfortunate fact of life that those who deserve it least seem to be the ones to benefit from both the bad times and the good times.

THE '1000' CLUB

As yet details of the first draw for the new '1000' club have yet to be finalised and obviously, with the present uncertainty, this is now likely to take a few more weeks. We do however, still require at least another 200 members to make this project worthwhile - CAN YOU HELP by either joining the draw or, if already a member, by introducing a friend? - Should the necessary 'new members' not be forthcoming this will result in the '1000' club being disbanded for, as I am sure you will agree, there is little point in working for 12 months to simply provide prizes and very little else. If this is so, all members who have already paid their contributions will have these refunded.

FOCUS ON FOUR

LAST Saturday's league programme saw NORTHAMPTON extend their lead at the top of the table when they produced another tremendous performance to defeat fellow promotion hopefuls PRESTON by 3-1 in front of the day's top crowd 6537. This took the Cobblers goals tally to 42 in 16 games and, along with CREWE, they are the only side to have scored in every league game to date. Second placed SWANSEA could only manage a point at TRANMERE but, with SOUTHEND (2-0 at Cardiff) being the only other top eight side to gain full points their position in the promotion race remained secure.

At the opposite end of the table, STOCKPORT's dismal run continued when, despite a goal by former Shayman VERNON ALLATT they went down by 3-1 at ALDERSHOT. County have now gone 15 games with just 1 victory to their credit and are 6 points adrift of second bottom club TORQUAY who lost their 6th game in succession going down by the odd goal in 3 at home to WOLVES in a game spoiled by crowd troubles.

Away from the league there have been fine performances by our division representatives in the Littlewoods Cup. CAMBRIDGE defeated division 1 side WIMBLEDON and CARDIFF had an excellent victory over CHELSEA and by so doing, became the third and fourth division's last hopes in the competition. Pride of place however must go to WREXHAM who put up such a great fight in the Winners Cup competition before bowing out on the 'away goals' ruling.

COBWEB CORNER

THIRTY YEARS AGO... the FA Cup 1st round brought Oldham Athletic to the Shay and the visitors quickly showed that they had both class and pace. The 9736 crowd saw Athletic 2 goals in front after 20 mins, but, in a 4 minute spell just after the interval goals from HUTCHINSON and CONWAY SMITH put the Shaymen level. It was to be a cruel deflection (off the head of ROY LORENSON) however that decided the game in the closing minutes and so give Oldham entry into the second round.

TWENTY YEARS AGO... Town took on Notts County at the Shay in a division four game and sent the fans home happy with a fine 5-2 victory. BARRY HUTCHINSON, a recent signing from Darlington netted two of the goals as did centre forward JOHN PARKS while the other scorer was the speedy and ever dangerous wingman ARCHIE TAYLOR.

TEN YEARS AGO... again in division four, the Shaymen entertained Swansea who, a few days later were to provide two players for the Welsh international side. The first half proved even and remained goalless but the 2044 crowd rose to BOBBY HOY midway through the second half when he hit what proved to be the winner. — the Shaymen had lined up GENNOE, TRAINER, BRADLEY, MCGILL, DUNLEAVY, PHELAN, HOY, CARROLL, BULLOCK, LAWSON, JOHNSTON. *Statistics courtesy Tony Gough*
